

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 06/15/04
AGENDA ITEM 3
WORK SESSION ITEM _____

TO: Mayor and City Council
FROM: Director of Public Works
SUBJECT: Traffic Signal Installation on Huntwood Avenue at Schafer Road: Approval of Plans and Specifications and Call for Bids

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution that approves the plans and specifications for the Traffic Signal Installation on Huntwood Avenue at Schafer Road and calls for bids to be received on July 6, 2004.

DISCUSSION:

This project will install a traffic signal system at the intersection of Huntwood Avenue and Schafer Road. This traffic signal has been identified as a high priority on the Traffic Signal Priority List. The project will also install a curb ramp, sidewalk, and access ramps with safety railings on the east side of Huntwood Avenue, south of Schafer Road, to connect the new signal intersection and the existing crossing at the Union Pacific Railroad. This project will provide pedestrians and bicyclists, primarily the students, with a safe route between the neighborhoods on the west side of the railroad and Tennyson High School on the east side of the railroad while maintaining traffic flow. Staff is in the process of securing easements from the Union Pacific Railroad for constructing the access ramps.

Because there has been such a long lead time in procuring signal poles, for this project the pole equipment will be purchased by the City in advance and provide them to the contractor as government supplied materials.

The project is categorically exempt under the "Minor Alteration of Existing Streets" Section 15301 (c) and "Addition of Safety Devices for Existing Facilities" Section 15301 (f) of the California Environmental Quality Act Guidelines.

PROJECT COST:

The estimated costs of the total project are as follows:

Contract Construction Costs	\$155,000
Design and Administration	27,000
City Furnished Equipment (Traffic Controller, Cabinet, and Poles)	26,000
Inspection and Survey	22,000
Total	<u>\$ 230,000</u>

FUNDING:

The 2003-04 Capital Improvement Program includes a total of \$230,000 for this project, \$190,000 in the Transportation System Improvement Fund for the signal installation work and \$40,000 in the Street System Improvement Fund for the new sidewalk work.

SCHEDULE:

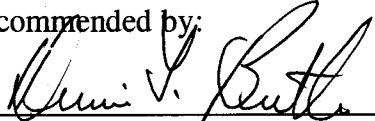

Advertise	June 15, 2004
Receive Bids	July 6, 2004
Award	July 27, 2004
Begin Work	August 23, 2004
Complete Work	November 30, 2004

HAYWARD CITY COUNCIL

RESOLUTION NO. _____

Introduced by Council Member _____

RESOLUTION APPROVING PLANS AND SPECIFICATIONS FOR TRAFFIC SIGNAL INSTALLATION ON HUNTWOOD AVENUE AT SCHAFFER ROAD, PROJECT NO. 5753, AND CALL FOR BIDS

BE IT RESOLVED by the City Council of the City of Hayward as follows:

1. That those certain plans and specifications for Traffic Signal Installation on Huntwood Avenue at Schaffer Road, Project No. 5753, on file in the office of the City Clerk, are hereby adopted as the plans and specifications for the project; and
2. That the City Clerk is hereby directed to cause a notice calling for bids for the required work and material to be made in the form and manner provided by law; and
3. That sealed bids therefor will be received by the City Clerk's office at City Hall, 777 B Street, Hayward, California 94541-5007, up to the hour of 2:00 p.m. on Tuesday, July 6, 2004, and immediately thereafter publicly opened and declared by the City Clerk in Conference Room 4D, City Hall, Hayward, California; and
4. That the City Council will consider a report on the bids at a regular meeting following the aforesaid opening and declaration of same; and
5. The project is categorically exempt under the "Minor Alteration of Existing Streets" Section 15301(c) and "Addition of Safety Devices for Existing Facilities" Section 15301(f) of the California Environmental Quality Act Guidelines.
